How to Wire a IEC309 Plug. (STK325-2)

© MCC Ltd 2010

ELECTRICITY CAN KILL!
If you are in any doubt at all about what you are doing,
or your ability to do the work, you should refer any
mains connection work to a qualified electrician.

Wiring up an STK325-2 Plug.

1. Unscrew the outer case and remove.
2. Place the cord through the outer case.
3. Strip the cable according to Figure 1.
4. Connect the cable to the correct terminals to hold in place.
5. Place the outer back over the main body.
6. Twist the outer body around the base until its clamped over the fixing point.

Figure 1.
